FMC is pleased to create this program for NPMA and PestVets based on purchases by FMC True Champions of pest control solutions featured above through FMC authorized distributors and/or agents. It's as easy as 1-2-3.

- 1 To participate, PMPs must be enrolled in FMC True Champions. Just visit [FMCTrueChampions.com](http://FMCTrueChampions.com) to sign up.
- 2 Simply purchase any of the above qualified products from January 1 to August 31.
- 3 FMC will donate a portion of purchases on qualified products to PestVets presented annually at NPMA's PestWorld.

Yes, it's that easy to support our veterans through PestVets by purchasing qualified FMC Products.

Always read and follow all label directions, precautions and restrictions for use. Some products may not be registered for sale or use in all states.
